

Local Rule 86 Criminal Proceedings by Video/Closed Circuit Technology

10th Judicial Circuit Court State of Illinois – Circuit Wide

In any case where the Illinois Rules of Criminal Procedure are applicable, any hearing which may be conducted by audio-visual communication, including closed circuit television and computerized video conference under 725 ILCS 5/106D-1, is hereby authorized to be conducted by two-way audio-visual communication, including closed circuit television and computerized video conference. Included among the hearings authorized by this rule are those hearings for which the defendant would otherwise have the right to be physically present in court but waives the right to be present physically. Such waiver shall be knowingly made on the record after the opportunity for consultation with counsel and after the court admonishes the person of the right to be personally present. This rule supersedes Administrative Order 2003-2, and any other administrative order(s) regarding this topic.
