Rule 42. Financial Affidavit and Affidavits of Amount Due

- (a) In any case filed pursuant to the Marriage and Dissolution of Marriage Act, Civil Union Act, Parentage Act or (Guardianship of) Minors Act wherein economic issues arise, a mandatory form financial affidavit shall be filed by all parties. If a party is seeking support for a non-minor child, that party shall also file a financial affidavit on behalf of the non-minor child. The financial affidavit(s) shall be filed not less than seven (7) days before the date of the hearing and shall be served on all parties. In a Dissolution of Marriage proceeding when there is any issue involving property, including debt allowance or spousal maintenance, an addendum (or equivalent additional documentation) must be filed. Documentation should include description of all marital and nonmarital property and debt -- including the basis of such claim and the values of each item of property or debt greater than \$1,000. The addendum must also be on file seven (7) days prior to any hearing.
- (b) In a proceeding for a petition for rule to show cause for failure to pay under the Marriage and Dissolution of Marriage Act, Civil Union Act, Parentage Act or (Guardianship of) Minors Act, the petitioner shall file a mandatory form entitled Affidavit of Amount Due on Order to Show Cause and serve it with the petition. However, this affidavit shall not be required if the amounts due and all just credits are clearly delineated and ascertainable in the sworn petition for rule to show cause. Personal service of process shall be utilized.
- (c) All affidavits filed herein shall be timely supplemented.
